FOREWORD

We, of the '61 yearbook staff, have worked steadily for many months to produce this volume of the LLAMARADA. Within these pages we have tried to record the many memorable events that have happened to us during our journey through school.

ADMINISTRATION

BOYD W. STURDEVANT
Principal

To Students, Faculty, and Friends:

May I take this opportunity to wish each of you happiness, success, peace of mind, and the ability to choose wisely the path of life that lies ahead.

It is with great hope and pride that I say farewell to the class of 1961 and look to the future graduating classes, in anticipation that the knowledge gained and friendships made will be the foundation for a better community, state, nation, and world. With God's guidance these hopes will become reality.

ELEMENTARY

Heaven is not reached at a
single bound,
But we build the ladder by
which we rise
From the lowly earth to the
vaulted skies,
And we mount to its summit
round by round.

MURALS BY THE "SMALL FRY"

Some very imaginative minds and artful hands have worked together to produce a Thanksgiving mural and turkeys which are examples of the decorations made in the elementary school.

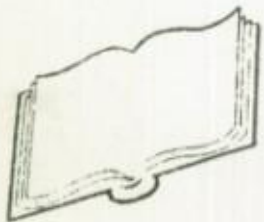

(Left to right): Keith Chriswell, Joe Stines, Donnie Oakley, Karen Linko, Johnny Gillaspy, Mike Brickert.

This reading room was given to the elementary students by Kaye's friends, both young and adult, as a lasting memorial to her and her love of reading and all things scholastic. Here are some of her little schoolmates already reaping satisfaction and joy from the books they have found:

(Left to right): Judy Thacker, Mary Jane Kelley, Paula Doyle, Cathy Scaggs, Sue Ann Dillman, Kathy Weathers, Carl Landis, Sandra Stevens.

CLASS HISTORY

In the fall of 1949 a troop of war babies, now the 1961 seniors, started to Ellettsville School. There to help direct them up the ladder of education were their first grade teachers, Mrs. Leota McNeely and Mrs. Opha Kinser. As a reward for learning their *abc's*, the class were given a trip to Bloomington where they went to the library and the fire station and then took a train ride home on the Monon. Then under the supervision of Mrs. Eudora Mason and Mrs. Kinser in the second grade, they learned the art of using a pencil. Also that year they took a trip to Kister's Air Field where the class took flight. Mrs. Beatrice Tapp and Mr. Charles Carey taught the third "R"—arithmetic. As fourth graders, taught by Mrs. Emily Stahl, they began a study of the English language. Miss Lillian Lockridge and Mrs. Marjorie Carter taught them geography in the fifth grade; and Mrs. Carter and Mr. Russell Forsyth prepared the future high schoolers for applying their previous knowledge to their next six years. During the fifth and sixth grades, they sold garden seeds to finance a trip to Spring Mill State Park.

Mr. Warren Miller herded the high-headed seventh graders through class meetings, class elections, and parties. Mrs. Viola Ramsey was the sponsor in the eighth grade; and while studying Indiana history that year, the class took a trip to Vincennes. Mr. Dennis Grafe guided the freshmen through their first year of real high school with the traditional banquet which had a Shangri La theme.

Mr. Robert Huffman has guided the class ever since with the help of Mr. Ward Bradford during the senior year. During the four high school years the Seniors have joined different organizations and clubs and have participated in sports and other activities. Class rings, a class play, "Her Kissin' Cousin," the prom with the "Stairway to Heaven" theme, the concession stand, the LLAMARADA, and studies have kept the Seniors very busy during their high school days.

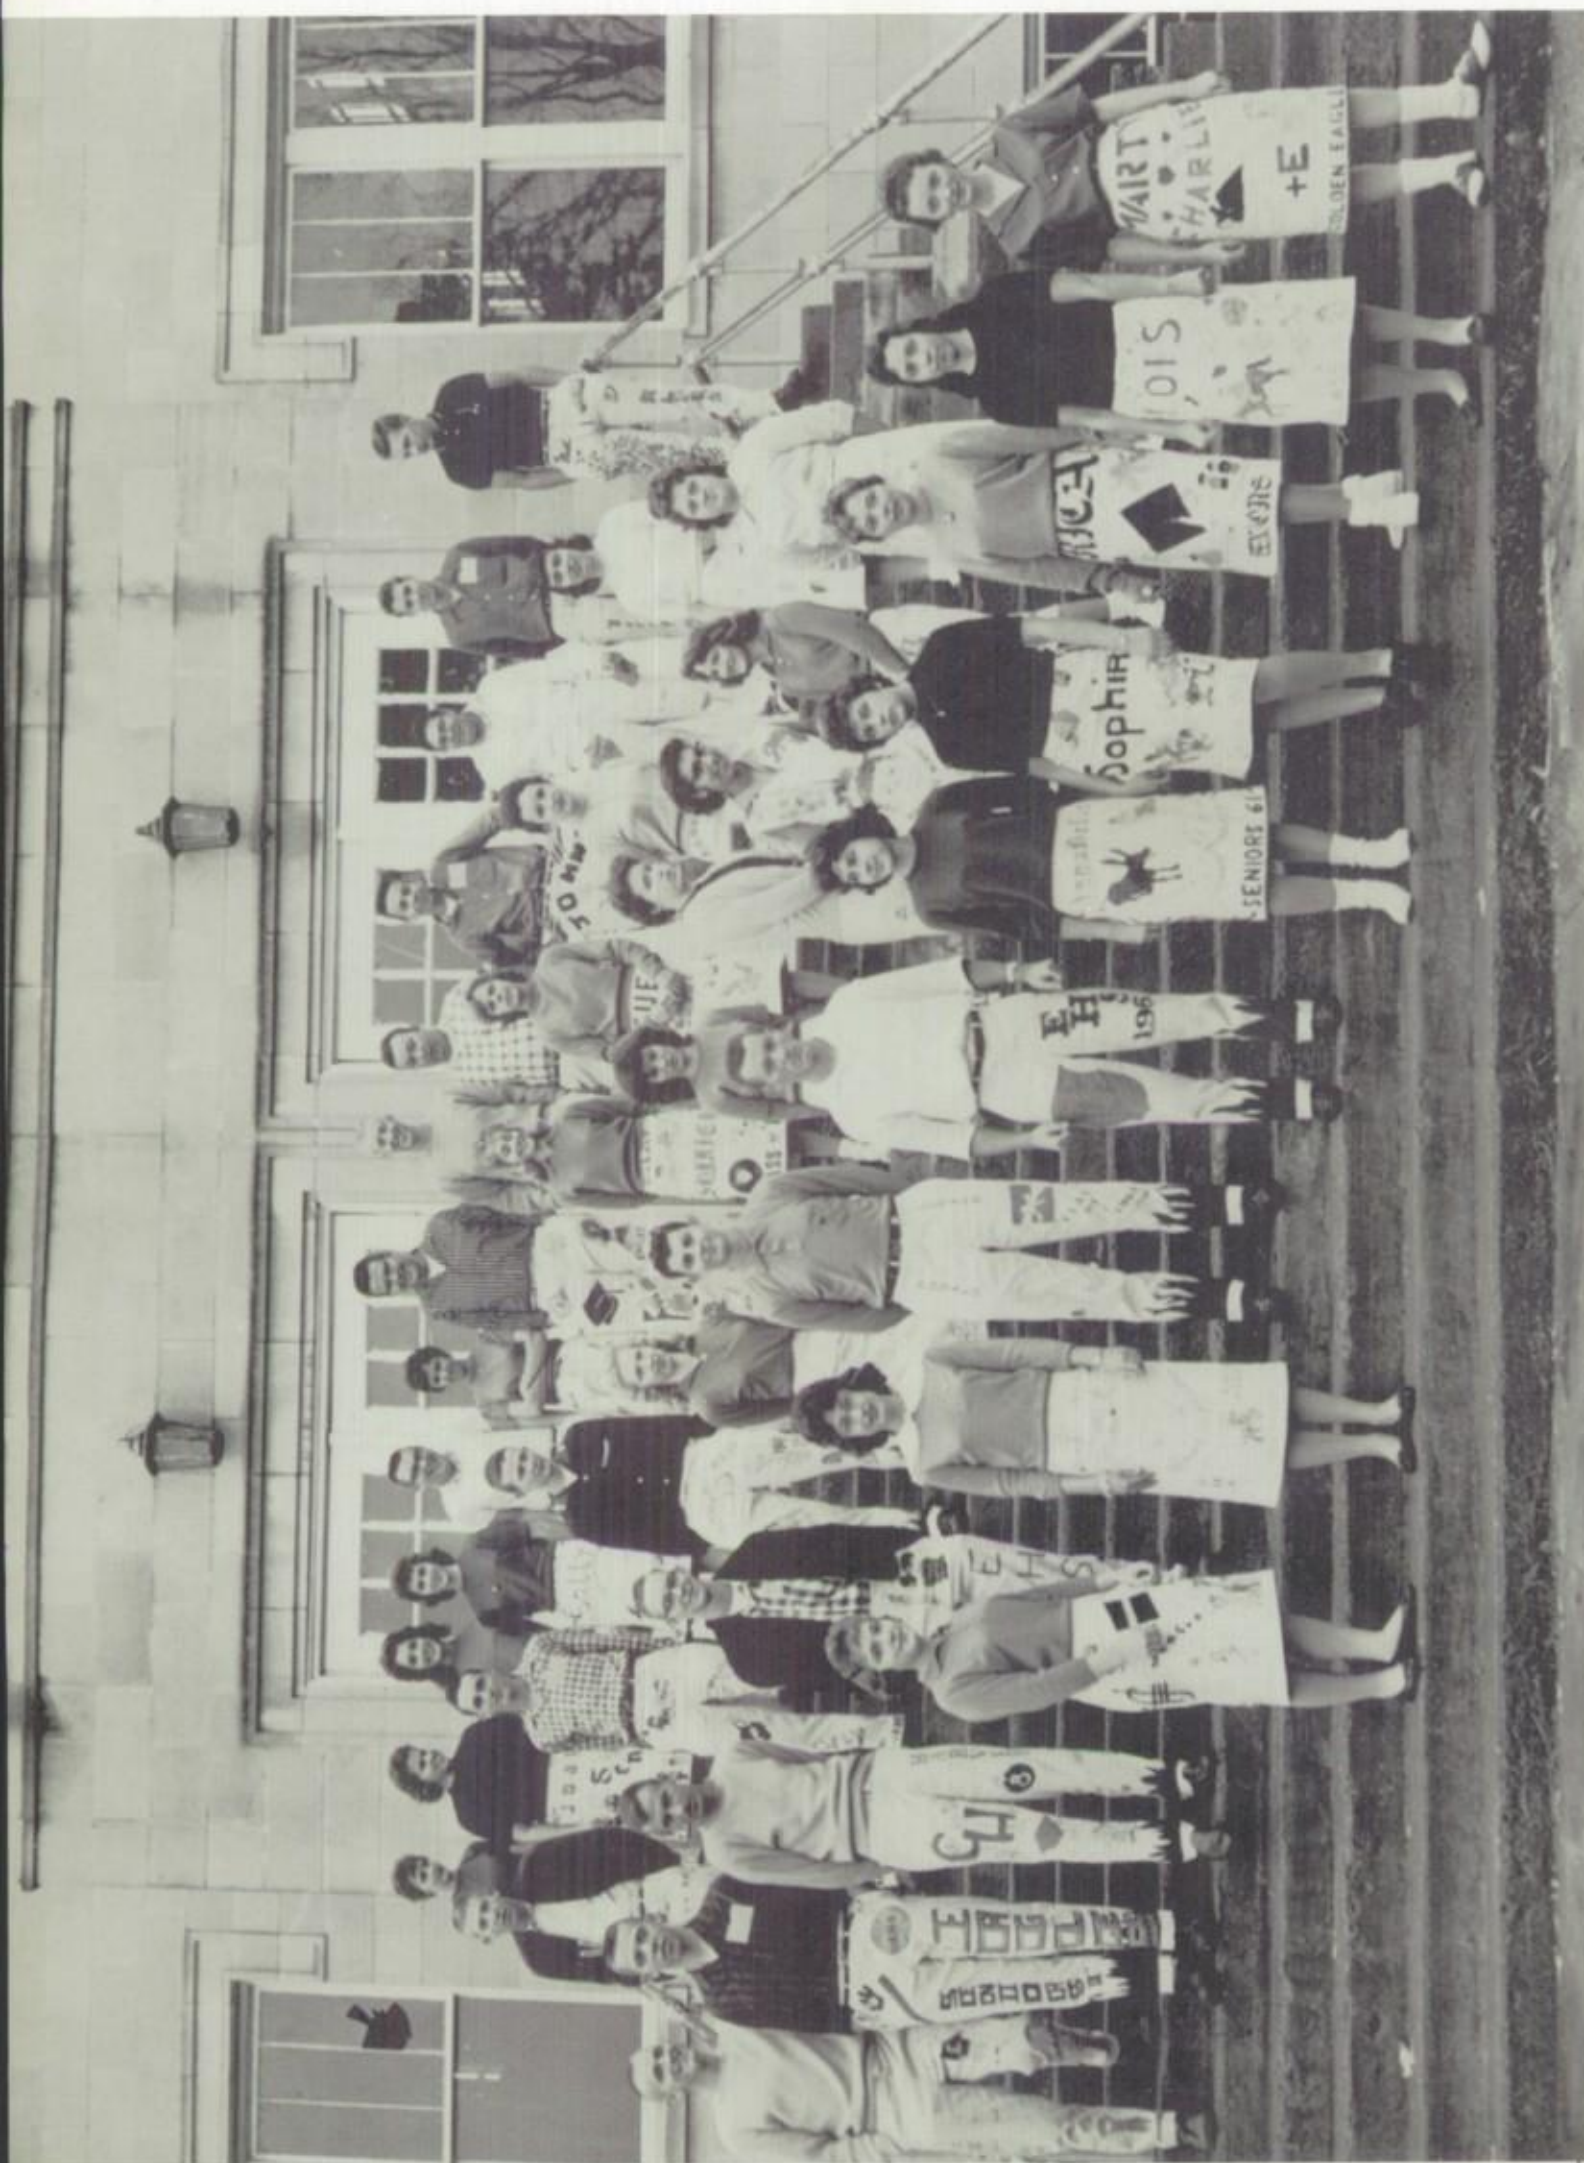

Oh my! What a decision to make!

Now it is on straight.

ACTIVITIES

ELLETTSVILLE HIGH

A vital part of any school or community is its high school band. Ellettsville is no exception, for they provide music for many activities throughout the year. As a group they work to prepare marching shows and routines for basketball games and parades, concerts for the school and community, and music contests. The annual Spring Concert is one of the highlights of the year. As individuals, many of the members participate in the district and state solo and ensemble contests. The pep club and fans get a boost from the band at all of the home basketball games. They even traveled to Smithville this year to support the Eagle squad. The band members are very versatile and belong to many other organizations.
